

# WORD LADDER

A Word Ladder is a FUN-FUN-FUN puzzle that is said to have been invented by Lewis Carroll, author of ALICE IN WONDERLAND.

The object of the game is to convert one word into another by changing one letter at a time.

Here's how to change a CAT into a DOG

Step one: C A T

Step two: C O T

Step three: D O T

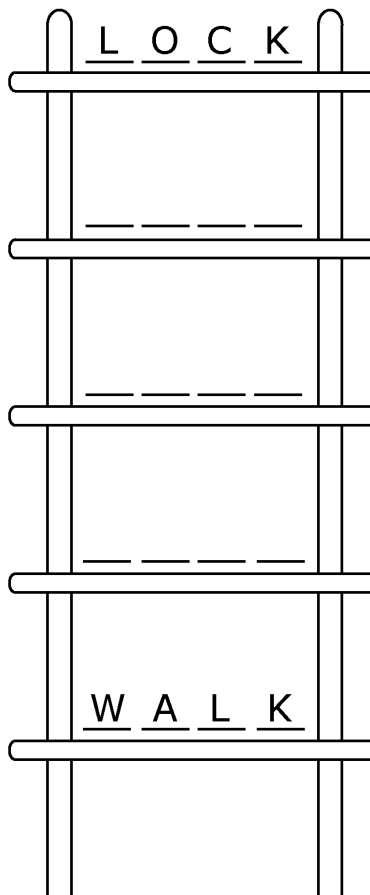

Step four: D O G

Note: *Step 3 could also be COG.*

*Now it's time for you to try*

**Humphrey's Lock Ladder:** Sometimes Humphrey likes to open his cage, using the lock-that-doesn't-lock, and get to take a walk!

Now see if you can change a *lock* into a *walk*.

*Note: There are a number of ways to solve this problem.*
